Dear Marathon lovers!

At the beginning of our tango – marathon event, we would like to wish you all great time, full of dancing along the greatest tango music, specially prepared for you by our DJ-s. To help you move around the dancing floor and other areas, we prepared this short manual for you.

LOCATION:

As every year, we are pleased to invite all Tangersos to the annual Strawberry Tango Marathon in Łódź. This year, we invite you to a new location in the very center of Łódź, at Pomorska St. 16 to the historic building of the former female gymnasium, currently Secondary School No. IV. The building has beautiful neo-renaissance interiors and a spacious ballroom with a parquet floor and huge windows. We hope everyone will like the new place as much as we do.
